Together we can build a brighter future for us all to enjoy.

In this edition it's all about the wonderful community activities that are taking place across the village this Summer.

Dear fellow Residents,

The last few months have been dominated by unseasonably poor weather, but signs of early summer are eventually appearing and are brightening up our truly pleasant village. As the days get lighter and longer, we can see that the need is paramount for people to become more active, and to look after both their physical and their mental health. Encouraging residents to play an active part in our community has always been an overarching aim of the Batheaston Leadership Group. By taking an active part in our village, you can both look after your own health and add to the health and vibrancy of our amazing community.

It was lovely to see some of you at the recent annual Village Meeting. I would like to thank everyone for attending, and a special thank-you goes to the Parish Council for organising such a successful and productive community gathering.

It's important for me to conclude by thanking everyone who has or does step forward to contribute for the good of our community. Together we can build a brighter future for us all to enjoy.

Wishing you a lovely summer.

Cllr Kevin Guy
Chair of Batheaston Leadership Board

Festival Of Nature/Beaver Project Weekend 7th – 9th June.

Willow is a favourite beaver food. Taking up this theme, the following workshops will be happening at the riverside car park:

- 11am -3pm, **Creative Willow Workshop** with artist Julie Starks.

These workshops are free, they are drop-in with no booking required, all materials provided. All ages are welcome.

Saturday 8th June also sees a Curry and Quiz Night, Batheaston New Village Hall, raising funds of this autumn's Art Trail. Doors open 6.15pm, quiz starts 7.15pm. Tickets are £10. Email: hello@growbatheaston.co.uk to find if tickets are still available.

Batheaston Church School

Living life in all its fullness

Here at Batheaston Church School we've been enjoying a busy term, with pupils taking part in lots of fun activities to enrich their learning experience. We've worked hard over the last few years creating and evolving a "bespoke" curriculum that is engaging for all our children. So now, with our exciting curriculum well and truly embedded, we're looking beyond the school gates for new ways to bring all this learning to life.

Easter chicks have paid a special visit to Willow class. The class was very excited. These tiny bundles of fluff were a huge hit. The children so enjoyed watching them and learning all about where they come from. This visit formed a part of Willow's science topic.

The drama company PERFORM was very popular with Apple, Cherry and Willow classes. On their recent visit, the company led pupils in a drama workshop based on traditional fairy tales. The children enjoyed dancing, and moving around the hall as the different characters.

Collage artist Marion Hill spent time with our younger pupils at the start of May helping them create beautiful collages. These mainly centred on the re-introduction of beavers into our local area. As well as the artwork they produced, pupils learnt much about beavers, and were also inspired to write about these exquisite creatures. We still have lots more events planned for this academic year, including a visit from willow sculpture artist Julie Starks and a return visit from documentary filmmaker and conservation photographer Alex Domanski.

As you see, we are giving pupils opportunities to work alongside real life experts, who can inspire them and introduce them to a world of knowledge beyond the curriculum. In this way we are constantly enriching their learning. Our renowned vision of Dream...Aspire...Achieve is firmly embedded in our school life and is at the heart of everything we do. Our mission will always be for our pupils to flourish, and to be excited and inspired by the experiences and opportunities we seek to provide.

Batheaston Brownies

It's so rewarding to see the girls growing in confidence, and with encouragement trying out all kinds of new things.

Batheaston Brownies continue to thrive on a Tuesday evening and we are currently full. If someone however would kindly volunteer to help us, we could cut our waiting length of time down from a year.

This term so far... we've decorated wicker hearts with flowers, toasted marshmallows to make s'mores and constructed clothes for teddy bears. Now we are planning to decorate cupcakes, play water games and walk along the Northend fields.

We recently had a visitor in the form of Jenny Bessant. Jenny was Brown Owl before me, about fifteen years ago. The girls asked her lots of questions about what Girlguiding was like when she herself was a Brownie, and they all listened beautifully.

We will be having a stall at the Village Fête on Saturday June 22nd, so do please come and say hi.

Penny's Pantry & Community Café

Penny's Pantry (PP) is a not-for-profit organisation, run by local volunteers to expand affordable food choice and social activity for local residents.

We would love you to discover our non-profit organisation, which makes a difference at the heart of our village. We are here for all age groups, to provide fun, company and affordable tasty food.

Our Wednesday Café at the Rhymes, 10.30am – 12 noon is open all year round. Well, if it snows... Come and catch up with local news, join us for coffee/tea and cake. Consult our toy box, if that's what floats your boat. All ages are most welcome.

We are delighted that repairs now are getting in hand at the Rhymes. Foliage has been cut back, the gutters are soon to be repaired, and then kindly volunteers will be helping us with some inside painting. We won't know ourselves...

• 80 Years On, this June 5th we are running a special D Day Commemorative Café. Come with your photos from the 40's. No spam will be offered or chichory substitute coffee.

Foodie Friday Village Lunches run at the New Village Hall. Our next dates are Friday June 14th, Friday 19th July and Friday 20th September. Doors open at 12.30 for 1pm lunch. The cost is £5. To book a lunch tel. Sarah 684649, contact Katy@wern.org.uk or drop into the Rhymes on a Wednesday.

• Foodie Friday on June 14th also has a D Day theme. Come and eat to the rhythms of Glen Miller.

We Want to Thank All Our Supporters: Batheaston Parish Council, Trustees of the New Village Hall, Spar Batheaston, Chris Rich Farm Shop, Morrison, Larkhall Butchers, Batheaston Convenience Store.

Warm thanks also go to our many volunteers without whom nothing would be possible!

The future of the Rhymes Pavilion

We want to know what you think about the Rhymes, and what you would like to see take shape at this central location in our community. We have already consulted some of you locally, but we want to open up that consultation to the whole village. We have devised a simple survey for you to tell us what you would like, whether that be better sports facilities, a venue for children's parties, both of these, or something else.

We're very keen to hear your views, both what you would like and what you think the village needs. Without this, we can't confidently consider the next stage, the creation of the new and improved Rhymes Pavilion.

- Please use this link, <https://bit.ly/rhymessurvey> or the QR code above. For those preferring to fill out a survey on paper, we have arranged for printed copies to be available at the Batheaston Medical Centre, the Premier Store, and Maurden's.

We are organising a Village Summer Party on 14th July by the Riverside. The main road

will be closed, the sun (hopefully) will be out and the bar will be open. If anyone would like to have a stall, anything edible always goes down well. We'll have a stage, so we'd love to hear from any budding superstars out there. For these – or any other ideas or offers of help – please contact our clerk: clerk@batheaston-pc.gov.uk.

Big Plans to Improve our Facilities ... Can You Help?

As well as the Rhymes, we want to improve the car park, to make it more accessible to disabled drivers, and to provide more modern facilities. We want to commission new play equipment (as we did last year for the under-5's), develop our sports facilities and provide more and better access to nature.

For all of this, we need you! If you think you can help with these projects, or something else that we should be doing, or indeed if you might consider becoming a Councillor, please contact the parish clerk (see email above) or Hannah Squire, chair of the Council, Hannah.Squire@batheaston-pc.gov.uk.

Making space for people and nature at National Trust's first green corridor, Bathampton Meadows.

Summer at Bathampton Meadows. After an incredibly wet start to '24 and much flooding on the Meadows, it's been wonderful to see spring come, and now to look forward to summer events. In spring our work focuses on tidying up. We've been chipping the brash from the hedges and using it as mulch. This will keep nettles at bay and help trees retain moisture if we get another drought like last year's. Butterfly surveys have started up again, and we'll be doing more bat surveys towards summer. I've recently been checking our signage across the Meadows, to see if it's fit for purpose or whether improvements are needed.

We've been out and about, helping people find out about work on the Meadows and have their say about future planning. Back in April, I spent the day at Bath Guildhall celebrating World Heritage Day. Bath's landscape forms a significant part of the city's UNESCO World Heritage status. With a colleague from Prior Park Landscape Garden, and we chatted to visitors about the National Trust's local landscapes - Prior

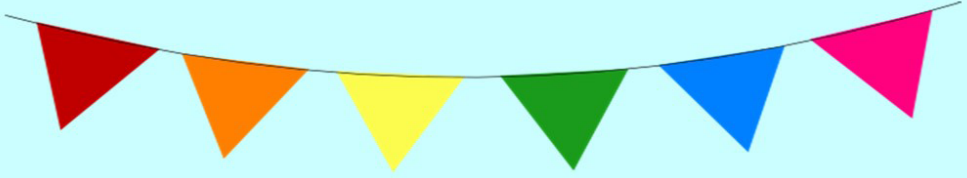

Park, Bath Skyline and Bathampton Meadows. We were also at the Larkhall Festival in May and we'll be at Batheaston's Riverside Festival in July.

During June and July we'll be running drop-in sessions. Much like last year, we'll have some gazebos around the meadows where anyone can drop by and have a chat. We'll have displays about our future plans, and summaries of our last year's findings. Look out for the posters or check the website for details of dates, times and locations.

We are grateful to all our usual volunteer groups and now we've been welcoming help from Bath's branch of GoodGym. This offers a practical hand to whoever in the city needs this, either charities and locals, rather than going for gym membership. A group came for a morning to help us remove some stubborn old fenceposts and wiring from the meadows, ready for the fenceposts to be replaced.

Summer events and church services in Batheaston and at St Catherine's

Dear Friends,
Goodness me! No wonder the English always talk about the weather. I'm sure that during May we had every season represented! Let's hope as we come to June that we can be more confident of having some sunny days.

Last year the day of the Village Fête was beautifully sunny. So, hoping for sunshine once more, please put this year's Fête in your diary. It is on Saturday 22nd June from 12 noon – 4pm. Last year lots of people came and set up camp for the afternoon. I don't know who the group of women were, but I do know that they were very pleased when they finally won a bottle of Prosecco on the Bottle Tombola, and that they had a great afternoon!

If you have been along to JAM on the 4th Sunday of the month, 3:30pm in St John's,

then thanks! There will be a last JAM of the school year on **23rd June at 3:30pm.** We will not be running JAM in the school holidays...

We will instead be offering WOW (Worship on Wednesdays!) 3pm - 4pm every Wednesday during the school holidays from 24th July... There will be activities and tea at the very least! This is for children coming with adults, as a freebie activity in the holidays.

We often talk about Emmanuel - God with us - at Christmas, but I hope this summer you will know God with you, whatever the weather.

With every blessing,

Lauretta

Waterleaze Growers

Together we're growing veg and fruit on the sunny side of Solsbury Hill

Would you like to get outdoors on a lovely bit of land to grow food with other people? We are...

- **Nature-friendly – a no dig, organic, wildlife-rich site**
- **Collaborative - growing collectively, supporting and learning from each other**
- **Welcoming - to all abilities, backgrounds and experience**

Our site at Waterleaze is sunny and full of birdsong. It was traditionally used as a market garden. It comprises a little orchard, springs, growing areas, a variety of trees and shrubs, bramble patches and a rickety shed.

Our project is just a year old and quite

informal, and with help there's a lot of potential.

As a member, you can come here during daylight hours whenever it suits you. And there are also times each month when the group try to gather together. The difference between having an allotment and belonging with Waterleaze Growers is that with us you can come and help when you like, and you are not solely responsible for your own plot. Also, we share the knowledge and the produce.

We would welcome more hands and more knowledge. So, whatever your experience of growing, and if you like the idea, please get in touch for a show-around to see if this could be for you!

Village Agents: part of the Community Wellbeing Hub

If you need help or support, there are plenty of organisations out there. But finding out how and where to access them can be difficult. This is where your Village Agent can help. As part of the B&NES Community Wellbeing Hub we have a direct line of contact to around thirty partners, who offer a range of services to improve your health and wellbeing.

The Hub acts as a central point of contact and provides a triage (sorting) service to direct you to the best solution. Our range of partners covers most needs, including:

- Financial and money matters
- **Keeping active and healthy**
- Achieving a healthy weight
- **Accessing food**
- Mental health and wellbeing support
- **Lifestyles services e.g. stopping smoking**
- Social prescribing
- **Housing advice**
- Home from Hospital services
- **Employment, skills and training**
- Wellbeing courses and volunteering
- **Supporting carers, family members & others**

As part of the Hub, Village Agents are put in touch with people in our community who need our support. Being a partner has also helped us work more collaboratively with other organisations, such as Age UK, Clean Slate, the Stoke Association and Alzheimer's Society, to name a few.

The Hub also has a presence in the Atrium of the R.U.H. (on the left as you go through the main doors). Some of the Village Agent team can often be found there, representing the Hub, so you can be sure to find a friendly face! They can give you more information about the partners that make up the Hub and can guide you through the process of making contact.

You can contact the Community Wellbeing Hub directly on 0300 247 0050 and speak to one of their friendly Triage Team.

Alternatively, your own Village Agent can help you through the process and make contact with the Hub on your behalf.

Friends of Batheaston School

Everyone at FoBS wants to say a HUGE Thank-You to all who came to support our Meadowfest on Saturday 18th May. It was a fantastic afternoon filled with lots of fun for all! The kids had a blast with the various games, inflatables and entertainers - while adults enjoyed the bar, the food and the live music. And the wonderful Jamma de Samba closed the show with an amazing performance, as always.

Please keep your eyes open for future events. These gatherings are a great way to bring the whole community together and to raise important funds for the school. We look forward to seeing you next time!

A special mention should go to this year's wonderful sponsors: Camella Estate Agents, Strongbox Homes and GreenSmart Services. Without the generosity of these businesses, we would not be able to make Meadowfest happen, so thank you!
